Dear Wang Xiyue:

On behalf of the Council of Educators in Landscape Architecture 2020 Conference committee, I am writing this letter in support of your travel to the United States to attend the annual professional gathering of educators in landscape architecture. The conference is scheduled for March 18 - 21, 2020 in Louisville, Kentucky, USA.

Your abstract (ID 214) entitled “Vernacular Landscape of Traditional Water Conservancy Projects in China: The Impounding Lake-scape System” was accepted for oral presentation and publication in the Conference Abstract Proceedings.

We hope this letter of invitation will allow you to travel to the United States in March 2020. If you need any other supporting documentation, please do not hesitate to contact us.

Thank you for your submission and we look forward to your presentation and published paper.

Sincerely,
