北京林业大学成绩评定说明

考核成绩一般按百分制评定，实践性教学环节和毕业论文（设计）可按优秀、良好、中等、及格、不及格五级制评定，也可按百分制评定。军训及劳动课等难以评定学生个人差异的课程成绩按通过、未通过二级制评定，即合格、不合格。计算平均学分积时，采用二级制记分的课程成绩不计入内。

计算平均成绩时，五级制需要换算成百分制，其换算关系见下表：

五级制	百分制
优秀	90-100
良好	80-89
中等	70-79
及格	60-69
不及格	低于 60

The results Assessment of Beijing Forestry University

The results evaluation system was based on percentage of assessed. Practical aspects of teaching and thesis can be evaluated by excellent, good, medium, pass, fail evaluation system. It was also assessed by percentage of assessed. Some curriculum, such as Military training and working class were so difficult to assess individual differences in performance, so these curriculums were evaluated through the secondary system of assessment, Pass or Fail. Pass or Fail, not counted in GPA.

When calculating the average results, the five-evaluation system need to be converted into percentage evaluation system. The table below show the conversion relationship:

The five-evaluation system	Percentage evaluation system
Excellent (A)	90-100
Good (B)	80-89
Average (C)	70-79
Pass (D)	60-69
Fail (E)	Below 60
