The screenshot shows the Springer Link homepage. At the top, there is a search bar and navigation links for 'Sign up / Log in', 'English', and 'Academic edition'. Below the search bar is a navigation menu with 'Home', 'Books A - Z', 'Journals A - Z', 'Videos', and 'Librarians'. The main content area features a 'Browse by discipline' list on the left, including Biomedicine, Business and Management, Chemistry, Computer Science, Earth Sciences, Economics, Education, Engineering, Environment, Geography, History, Law, Life Sciences, Literature, Materials Science, and Mathematics. The central banner reads: 'Providing researchers with access to millions of scientific documents from journals, books, series, protocols, reference works and proceedings.' Below this banner are two featured items: 'Experimental & Computational Multiphase Flow' and 'Springer Reference LIVE Encyclopedia of Early Modern Philosophy and the Sciences'. A pink box on the right states: 'New books and journals are available every day.' At the bottom, there is a section for 'Featured Journals'.
